Special Invitation to 1st European Six Sigma Meeting For Software and IT Professionals

The first European Six Sigma Conference designed for Software and IT professionals sponsored by **Six Sigma Advantage Inc.** (www.6sigma.com), **six-winners consulting** (www.six-winners.com) and hosted by **SAP AG** (www.sap.com). We are proud to invite you to an unique discovery of what Six Sigma is and how it has been successfully employed to dramatically improve performance in the Software and the IT Industry.

Introduction

The list of companies who implement Six Sigma is increasing every single day. Six Sigma Advantage Inc. is the first and largest company that has brought Six Sigma into Software Development and IT Departments. Six Sigma Advantage and six-winners consulting – their strategic partner for continental Europe and Middle East - offer for the first time in Europe an unique tutorial, workshop and platform to learn more about Six Sigma and how to apply it in the Software and IT Industry.

Date and Location

September 21. 2004

SAP AG, Neurottstrasse 16, 69190 Walldorf / Frankfurt / Germany; Building WDF01, take the elevator to the 6-th floor, meeting room is "WDF01 Mailand B6.16"

Who should attend?

Chief Information Officer, Software Development Managers, IT-Managers, Software Architects, Quality Professionals, Black Belts, Quality Improvement Directors, Project Directors, Six Sigma Champions, Master Black Belts, Green Belts... as well as executives from Software and IT Departments and companies that are looking to optimize their organization's quality and performance.

Speaker

Dr. Jürgen Heymann, Senior Software Architect
Gary Gack, CEO Six Sigma Advantage Inc.
Enzo Di Nunzio, Managing Partner six-winners consulting

Investment

Price per person full day with tutorial material: € 295 per participant payable prior to the special meeting.
